

Ground mounted luminaires
Wall washer

The design of this on-ground floodlight makes it possible to fully illuminate a vertical surface, such as a building facade, from the ground level to the lower edge of the roof. The minimal installation work required in comparison to recessed luminaires, and the different mounting options reduce installation costs and offer a high degree of flexibility.

Die-cast aluminum · Clear safety glass · Reflector made of pure anodized aluminum

LED color temperatures: 2700K, 3000K, 3500K, 4000K

BEGA luminaires offer a minimum service life of 60,000 hours, with suitable LED replacement modules guaranteed for up to 20 years after date of purchase. Further LED technical data including luminous flux, CRI, dimming and electrical characteristics are provided on the individual luminaire specification sheets, available at www.bega-us.com

All BEGA standard finishes are matte, textured powder coat with minimum 3 mil thickness. BEGA Unidure® finish, a fluoropolymer technology, provides superior fade protection in Black, Bronze, and Silver. BEGA standard White, as well as optionally available RAL and custom colors, are a polyester powder.

NRTL listed to North American standards · Suitable for wet locations · Protection class IP 67
