

Visit *Seneto Boma*

A highlight of the journey to Tanzania is the opportunity to visit the Maasai village of **Seneto Boma** for a cultural immersion experience.

VISIT THE BOMA

As you approach the boma, you'll notice the village is surrounded by a thorn fence that keeps out lions and other wild animals. Maasai villagers will greet you to the boma with traditional songs and dances before taking you on a walk through the village.

EXPERIENCE DAILY LIFE

Get a glimpse into Maasai daily life as you watch the traditional method of starting a fire. Perhaps you'll see a spear-throwing demonstration or villagers may perform the traditional Maasai jumping dance, a rite of passage for young men. Before leaving, admire handcrafted jewelry and other items created by the women of the village.
