

Wall washers
Light output on two sides

Compact, efficient, and economical LED wall washers with up and down light distribution. Precise reflectors direct the light back onto the wall surface for glare-free illumination. Various sizes and three different finishes enable coordination with other architectural features in the space. Provided with electronic driver.

Crystal glass diffuser with white interior finish
Reflector made of pure anodized aluminum · Die-cast aluminum housing

Select the desired exterior finish by using appropriate code number as suffix

- White Code number **.1**
- Palladium Code number **.4**
- Velvet black Code number **.5**

LED color temperatures: 2700K, 3000K, 3500K, 4000K

BEGA can supply you with suitable LED replacement modules for up to 20 years after the purchase of LED luminaires – see page 186. Further LED technical data including luminous flux, CRI, service life, and dimming and electrical characteristics are provided on the individual luminaire specification sheets, available at www.bega-us.com.

NRTL listed to North American Standards, interior use only
Refer to page 185 for more information
