

Wall washers
Light output on two sides

A family of LED wall washer luminaires with up and down light distribution. High lumen output and excellent glare control make these luminaires well suited for illumination of tall interior walls or columns. Arranged individually or in groups, these wall luminaires create visual interest in a space while providing significant vertical and horizontal illumination. Provided with electronic driver.

Clear safety glass · Molded silicone optical lens
Reflector surface made of pure anodized aluminum
Die-cast aluminum housing · Chrome trim ring

Select the desired exterior finish by using appropriate code number as suffix

- White Code number **.1**
- Velvet black Code number **.5**

LED color temperatures: 2700 K, 3000 K, 3500 K, 4000 K

BEGA can supply you with suitable LED replacement modules for up to 20 years after the purchase of LED luminaires – see page 186. Further LED technical data including luminous flux, CRI, service life, and dimming and electrical characteristics are provided on the individual luminaire specification sheets, available at www.bega-us.com.

NRTL listed to North American Standards, interior use only
Refer to page 185 for more information
