

Pendant luminaires

Pendant mounted LED luminaires with wide beam distribution, available in three finishes. The partially frosted, crystal glass provides glare control while adding sparkle to any space. The simple shape makes these ideal for any architectural space. Coupled with the latest LED technology, these luminaires are efficient, long service life lighting solutions for spaces where architectural interest is a part of the lighting requirement. Provided with electronic driver

Crystal glass diffuser, partially frosted with screw neck · Reflector made of pure anodized aluminum  
Metal housing and canopy · Transparent connecting cable

Select the desired finish by using appropriate code number as suffix

- White Code number **.1**
- Stainless steel Code number **.2**
- Chrome Code number **.3**

LED color temperatures: 2700 K, 3000 K, 3500 K, 4000 K

BEGA can supply you with suitable LED replacement modules for up to 20 years after the purchase of LED luminaires – see page 186. Further LED technical data including luminous flux, CRI, service life, and dimming and electrical characteristics are provided on the individual luminaire specification sheets, available at [www.bega-us.com](http://www.bega-us.com).

NRTL listed to North American Standards, interior use only
