

LINEARA
Pendant luminaires

A series of unshielded LED pendants in three, seamless lengths. LED technology and our own LED module production facilities enable us to pursue new avenues of luminaire design and to develop distinctive luminaires in special sizes. These unusually long lengths present new and creative options in many areas of interior design. Provided with electronic driver.

Acrylic diffuser · Die-cast and extruded aluminum housing
Two steel wires with white or black connecting cable

Select the desired finish by using appropriate code number as suffix

- White Code number **.1**
- Matte aluminum Code number **.2**

LED color temperatures: 2700K, 3000K, 3500K, 4000K

BEGA can supply you with suitable LED replacement modules for up to 20 years after the purchase of LED luminaires – see page 186. Further LED technical data including luminous flux, CRI, service life, and dimming and electrical characteristics are provided on the individual luminaire specification sheets, available at www.bega-us.com.

NRTL listed to North American Standards, interior use only
Refer to page 185 for more information
